

April 22, 1975

PRESIDENT: Chair recognizes Senator DeCamp.

SENATOR DeCAMP: What bill are we on, 349?

PRESIDENT: Yes.

SENATOR DeCAMP: Mr. President, Senator Lewis apparently is not here. I would not feel it fair to take these up without him. The amendments themselves could take several hours of debate. I know that there's been half a promise that Senator Murphy would get an opportunity to get to the banking bill. It would be agreeable to me if we wanted to bracket this until such time as Senator Lewis and his side have had a chance to examine in detail the amendments and their implications. I would ask unanimous consent to bracket it until such time as the other side is ready on these.

PRESIDENT: Is there an objection? Seeing none, it's so ordered.

SENATOR DWORAK: Mr. President, I move the adoption of the E & R amendments to LB 349.

PRESIDENT: Discussion of the motion?

SENATOR DWORAK: 349.

CLERK: We just did that.

SENATOR DWORAK: 368. I move the adoption of the E & R amendments to LB 368.

PRESIDENT: Discussion of the motion? The question is the adoption of the E & R amendments to 368. All those in favor say aye, contrary say nay. The amendments are adopted. Mr. Clerk.

CLERK: Mr. President, there is pending a motion to amend by Senator Barnett. Strike all sections of the bill and insert Section 79-1330 to 1334 repealed. Signed, Senator Barnett.

PRESIDENT: Senator Barnett.

SENATOR BARNETT: Mr. President, why don't you just withdraw that amendment at the present time.

PRESIDENT: You're asking for unanimous consent to withdraw?

SENATOR BARNETT: At this time, yes.

PRESIDENT: Is there an objection? Senator Barnett's amendment is withdrawn.

CLERK: Now, Mr. President, there's a request to bracket 368. Signed, Senator Mills. To bracket both 368 and 368A.

PRESIDENT: Is there an objection? There is an objection. Do you make the motion Senator?
